PROFILE

MBA with 3+ years of experience across B2B SaaS and E-commerce. Spent 2+ years in front of B2B SaaS customers, turning what they asked for into product and roadmap inputs, and now work in strategy and planning at Flipkart, including taking a buyer trust product from 0 to 1.

WORK EXPERIENCE

Flipkart | Manager, Strategy and Planning Jun 2025 - Present

Mobiles and Electronics; Loyalty and Membership (Flipkart Plus / Black)

- Took Flipkart Trust Shield from 0 to 1 with Product and Ops, defining the buyer journey across 5 touchpoints and delivering a 5% conversion uplift
- Shipped an automated hourly sell out reporting tool (Google Apps Script) used directly by leadership, replacing manual reporting during live events
- Owned P&L for a 25 Mn+ user loyalty base and built the CY2026 plan, modeling acquisition, retention and monetization against unit economics
- Expanded serviceability from 4 to 66 cities across Ops, Category and Supply Chain, covering 40% of all India Mobiles volume
- Set segment wise pricing across INR 500+ Cr of event revenue, using demand signals to decide where to invest

ZoomInfo | Solutions Consultant, US Market Jan 2023 - Jun 2023

- Ran discovery with US prospects and translated recurring needs into structured feedback that shaped new feature development
- Closed USD 0.22 Mn in Annual Recurring Revenue by matching product capability to customer problems in a competitive data intelligence market
- Root caused 200+ tickets, surfacing the product gaps behind repeat issues and reducing backlog

Freshworks | Product Consultant, UK Market Jan 2021 - Jan 2023

- Analyzed 500+ lost deals by loss reason and turned the pattern into product and positioning inputs, protecting USD 0.5+ Mn in revenue
- Built 10+ dashboards tracking competitor movement, surfacing 5+ new entrants for Product Management and Presales
- Generated USD 0.66+ Mn in Annual Recurring Revenue for UK customers by solutioning against their existing workflows
- Acted as the bridge between Product Management and Presales through structured competitive analysis

PRODUCT INTERNSHIPS

- **Product Management Intern, Wayplorer (2025):** Mapped user pain points across the CRM and RevOps market and benchmarked 5+ competing platforms to inform positioning
- **Summer Intern, GlaxoSmithKline (2024):** Piloted a field sales app that lifted orders 30% and shipped an in app reminder that raised lines sold per order 40%
